

CONCAST INC.

-PRECISELY ENGINEERED HIGH STRENGTH CONCRETE-

OUR NEW LINE OF CATALOGS

The color catalogs are in and have been shipped to all those who have faxed us their request forms. Our catalogs have been totally redesigned and updated to depict the latest sizes and products Concast has to offer. Be sure to look through all the catalogs for these new additions!

Examples Include:

Trench System - One-Piece Reducer, Pull Box applications...

Box Pads - Added cross references, Split Boxes...

Flat Pads - Size chart, Transformer reference, detail drawing...

Modular Ground Sleeves - Size chart, Sectionalizer/Switchgear reference...

URD Vault/Utility Boxes - Modular pull boxes, stackable boxes...

Catalogs can also be found on the web at: www.concastinc.com
